RE: Request to operate outside of the routine 6:00 am to 7:30 pm timeframe as outlined within Item 8 of Special Use Permit 12/93-32; DA 99-145

Dear Mr. Stella:

Bing Construction requested administrative approval to adjust its operating hours on a temporary basis on September 9, 10 and 11, 2019 to allow supply materials to be transported for night work between 6 pm and 6 am while NDOT and its agents repair US 395 within the Town of Gardnerville.

Section 8 of the Bing Special Use Permit restricts operating hours from 6 am until 7:30 pm unless approval is obtained from the Director of Public Works to temporarily operate outside of the routine schedule when special circumstances require large volume production in a short period of time.

The referenced request to adjust Bing operational hours for September 9, 10 and 11, 2019 to include 6:00 pm to 6:00 am is hereby APPROVED.

Please let me know if you have any questions or concerns about this request.

Sincerely,

Phil Ritger
Director of Public Works
