

RESOLUTION 26-02

A RESOLUTION ESTABLISHING A NEW WASTEWATER RATE SCHEDULE

SUMMARY

THIS RESOLUTION ESTABLISHES A NEW WASTEWATER RATE SCHEDULE TO BECOME EFFECTIVE ON JULY 1, 2026.

WHEREAS, the Gardnerville Ranchos General Improvement District (“GRGID”) operates a wastewater system to provide wastewater treatment to District residents and certain properties located outside the District, and

WHEREAS, pursuant to NRS 319.199, GRGID is empowered to adopt a schedule of rates to recover the costs of maintaining and operating said wastewater system, and

WHEREAS, the GRGID Board of Trustees has determined that the current schedule of rates will be insufficient to generate the revenue needed to properly operate and maintain the wastewater system in the future, and

WHEREAS, after considering the finances and future needs of the District, the Board of Trustees has directed the General Manager to develop a proposed new schedule of rates, and

WHEREAS, the Board of Trustees has held numerous public meetings to consider the proposed rate schedule, and

WHEREAS, on May 6, 2026, the Board of Trustees approved and adopted a Business Impact Statement for the proposed rate schedule that found that the proposed rate schedule will not impose a direct and significant economic burden on existing businesses in the District or directly restrict the formation, operation, or expansion of a business in the District, and

WHEREAS, on April 1, 2026, the Board of Trustees set a public hearing at 5:00pm on May 27, 2026, to consider final adoption of the proposed rate schedule, and

WHEREAS, pursuant to NRS 318.199, the Board of Trustees caused notice of the May 27, 2026, public hearing to be published in The Record-Courier, a newspaper of general circulation in Douglas County, not later than 30-days before the date of said hearing, and

WHEREAS, during the May 27, 2026, public hearing members of the public were provided a reasonable opportunity to submit data, views, or arguments to the Board of Trustees regarding the proposed rate schedule,

NOW, THEREFORE, BE IT RESOLVED, by the Gardnerville Ranchos General Improvement District Board of Trustees that the following wastewater rate schedule is hereby adopted and shall become effective on July 1, 2026 for all customers in the District.

In-District customers connected to the District's system prior to May 17, 1990:

\$ 29.20/month/EDU

In-District customers connected to the District's system after May 17, 1990:

\$ 41.90/month/EDU

* In-District customers in the Pump Station 1 service area shall also pay an additional \$6.75/month/EDU for the Pump Station 1 monthly maintenance fee.

All out-of-District customers connected to the District's system:

\$ 65.60/month/EDU

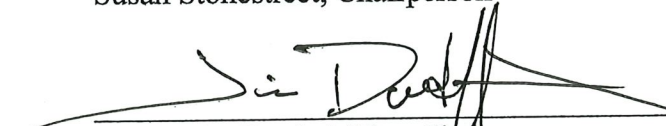

* Out-of-District customers in the Pump Station 1 service area shall also pay an additional \$ 6.75/month/EDU for the Pump Station 1 monthly maintenance fee.
